

AMERICAN OSTEOPATHIC ACADEMY OF ADDICTION MEDICINE

President: William R. Morrone, DO, MS

Program Chair: Michael Dekker, DO

Program at a Glance

Saturday's AAOAM program features the buprenorphine certification course. Sunday premiers AAOAM's new Essentials in Addiction Medicine Course. On Monday distinguished speaker Dr. David Gastfriend discusses the new ASAM criteria software. Christina Teichert, MA, will speak about the Danish Wounded Warriors; followed by June Sivilli, MA - Assistant Deputy Director of Demand Reduction, ONDCP. Other topics include: discussions on marijuana; drug diversion; trafficking; drugs on the street; TBI/SA; impaired physicians; prison populations; and harm reduction - including intranasal Naloxone.
